SIR:

PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

Applicant respectfully requests the revival of the above-identified application. Applicant's failure to file a timely and proper reply to a Notice of Missing Parts mailed on December 4, 2001 by the United States Patent and Trademark Office resulted in the unintentional abandonment of this application. The date of abandonment is May 5, 2002, which is the day after the expiration date of the period set for reply in the Office notice plus any extensions of time actually obtained.

Applicant hereby petitions for revival of this application. The Commissioner is authorized to charge or credit **Deposit Account No. 501735** for the fee of \$1300.00 set forth in 37 CFR 1.17(m). In the event of non-payment or improper payment of a required fee, the Commissioner is authorized to charge or to credit **Deposit Account No. 501735** as required to correct the error. Duplicate copies of this letter are enclosed.

The entire delay in filing the reply to the Notice of Missing Parts in this patent application from the due date for the reply until the filing of this petition was unintentional.
